School lunch program announced

Appomattox County Public Schools today announced its policy for free and reduced-price meals and free milk for children unable to pay the full price of meals and milk served under the National School Lunch and Special Milk Programs.

Family Size	Max. Family Income For Free Meals & Milk	Family Income For Reduced Price Meals
1	$ 5,230	$ 5,231 - 8,150
2	6,900	6,901 - 10,780
3	8,580	8,581 - 13,380
4	10,250	10,251 - 15,990
5	11,930	11,931 - 18,600
6	13,600	13,601 - 21,200
7	15,280	15,281 - 23,820
8	16,950	16,951 - 26,440
Each additional family member	1,680	2,610

Children from families whose income is at or below the levels shown are eligible for free or reduced price meals or free milk. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 50 percent of income, special educational expenses due to the mental or physical condition of a child, and disaster or casualty losses are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year.

To discourage the possibility of misrepresentation, the application forms contain a statement above the space for signature certifying that all information furnished in the application is true and correct. An additional statement is added to warn that the application is being made in connection with the receipt of Federal funds, and that deliberate misrepresentation of information may subject the applicant to prosecution under applicable State and Criminal statutes.

In certain cases foster children are also eligible for these benefits. If a family has foster children living with them and wishes to apply for such meals and milk for them, they should contact the school.

Under the provisions of the policy, each school principal will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the official, he may wish to discuss the decision with the determining official on an informal basis. If he wishes to make a formal appeal, he may make a request orally or in writing to Richard B. Carter, Appomattox County School Board, P. O. Box 548, Appomattox, Virginia 24522, phone - 352-8253 for a hearing to appeal the decision. The policy contains an outline of the hearing procedure.

If a family member becomes unemployed or if a family size changes, the family should contact the school to file a new application. Such changes may make the children of the family eligible for reduced price meals, or for additional benefits such as free meals and milk if the family income falls at or below the levels shown on the income scale.

In the operation of child feeding programs, no child will be discriminated against because of race, sex, color, or national origin.

Each school and the office of the Division Superintendent has a copy of the complete policy which may be reviewed by any interested party.

AES extends invitation to parents

Appomattox Elementary School wishes to extend an invitation to all parents and interested citizens who would like to assist the school in providing the best education possible to our children. We would especially enjoy working with grandparents and retired personnel.

Volunteers may contribute as much or as little time as convenient; any amount of time will greatly enhance our educational program. A handbook containing an application and outlining the program is available upon request. Please call the school (352-7463) or visit and request the handbook. We appreciate any assistance you may provide. Volunteering is exciting!

IF YOU HAVE ONE DISASTER, DON'T HAVE ANOTHER.

A disaster like fire is bad enough—another due to inflation is even worse. But you can keep up with building costs with our homeowners insurance with inflation protection.

By GLORIA DAY

Vacation times are about over and a new school season will soon begin. We here at A. B. T. have just kicked off a new Sunday School campaign and are ready to settle down to work for our Lord. A volleyball game was played Sunday afternoon with the Yankees winning over the Rebels by only a few points. Skeets Mayberry brought in the largest number of visitors Sunday and won a commentary on Proverbs. Jim Bibee came in second. Who will win next Sunday? Will the South rise again?

Verse for the week on our prayer list for this week are Ann Wood's uncle, Nora Handy, Debbie Mann, Sandra Reynolds, Ellen Nash, C. D. Litchford, Hattie Taylor and Gloria Day. Please continue to pray for Emery Woods as he is home and doing well. Walter Day's aunt, Ruby Shepherd was buried on Thursday in West Virginia. Pray for the family, especially Mrs. Roby Day, who is the last living relative. We just ask for the Lord's perfect strength and healing for each of these as only He can give.

Our pastor, Ron Gallagher is teaching some really good lessons on the book of Revelations in Sunday School. If you don't believe the Lords return is near, you need to study the book of Revelations and see how the prophesies tie into the happenings in the daily news. Join us, come Lord Jesus. Verse for the week: Proverbs 21:2.

Every way of a man is right in his own eyes but the Lord pondereth the hearts.
